The CLINTON BODY COUNT has climbed to 85 seriously DEAD people connected with that adorable William Jefferson Clinton, (born 'Billy Blythe' til Mom took a new hubby...) whom 46% of you are boo-hooing over, saying "AHHH, it's Sexual McCarthyism, a Torquemada Lynch Mob of Victorian anti-sexuality. We've all had a little nookie, why hang this poor sex-starved good ole boy?" Well, kiddies, don't feel sorry for this reprobate. They may not hang Bill for the right offense but it's the Right airport, if the wrong PLANE!

(NOTE: This article has really bad stuff on POTUS, but
http://www.prorev.com/connex.htm has much much worse than just MURDER on both him and Hillary. Mafia / crime ties up the wazoo & remember --when the Mafia owes you, you have Murder Inc at your beck and call. And conversely, you are at the beck and call of the Good Fellows! Fer LIFE!

Read the following, just a **partial list** of the large number that has recently met a demise in suspicious circumstances, with ties to not just BILL but to both the Clintons. I stress "partial list" because new stiffs are coming in faster than closets can be found to hide bodies in! If even half of these can be tied to Mr. Bill, (Oh no!) then he is the number one mass murderer, serial killer in the HISTORY of America. And what's really weird is that he's our PRESIDENT! It's like having TED BUNDY in the WHITE HOUSE!

**THE "DEAD WITNESS RELOCATION PROGRAM" -- We HIDE you REAL GOOD!**

1. **JAMES McDOUGAL** - Bank Embezzlement crook, Clinton's convicted Whitewater partner. Died 3-8-98 of an apparent heart attack, while in solitary confinement, serving 3-yr sentence for bank fraud. He was going to be a key witness in Ken Starr's investigation and died while the reporters who were covering him were away covering a sudden, new standoff in Waco, (which, when he died, suddenly went away.) Jim McDougal suffered a heart attack that was brought on by the diuretics forced on him. They took him out of solitary as he collapsed, then left him alone in the medical wing. Instead of attempting to defibrillate his heart with equipment on hand at the facility, he was taken on a LONG drive to John Peter Smith hospital. Not the closest hospital to the Fort Worth Federal Medical Center, JPS is a welfare hospital, where (in the words of one local,) "they let interns practice on deadbeats".

The **single most damning fact** to come out of the McDougal death was his injection with Lasix, a diuretic, to force his giving a urine sample for drug testing, even though McDougal was not a known drug case, and Lasix is contra-indicated in cases of heart disease. Lasix can cause excessive diuresis, blood volume reduction, circulatory collapse, and vascular thrombosis, or blood clots. If a matching potassium supplement is not administered at the same time, Lasix can kill.

McDougal may have been taking the heart medication Digitalin (foxtglove)
which cannot be combined with Lasix. Several inmates had gone public with the claim that McDougal was given a heavy injection of Lasix right after he ate lunch, but the prison system has refused to allow those prisoners to be interviewed nor have they released McDougal's medical records.

NEW! The Fort Worth Star-Telegram acquired the official report of the McDougal death via a Freedom Of Information Act request, and report that doctors ignored McDougal's signs of imminent death.

THE "SNOOPS FINISH LAST" SOCIETY

2. SANDY HUME - Journalist. On Sunday, February 22nd, 1998, Sandy Hume, the 28 year old son of journalist Britt Hume, was reportedly found dead in his Arlington, Virginia home. Aside from the statement that this was an "apparent" suicide, there remains in place a total media blackout on this story, possibly out of concern that the actual facts will not withstand public scrutiny. Indeed, it was reported in Associated Press that the Arlington Police were not responding to any inquiries.

Hume was a reporter for The Hill magazine, newspaper about Congress for Congress, and had broken a major story in 1997 regarding the friction between House Speaker Newt Gingrich and a faction led by Representative Paxon (who mysteriously announced his resignation just 24 hours after Hume's death).

In addition, Sandy Hume had just joined the staff at Fox TV News and was just three weeks into a job that represented the pinnacle of his young career. Oddly enough, aside from echoing the one Associated Press story, the Fox News website has ignored the death of its newest commentator.

Sandy already had a reputation for getting the story that nobody else wanted to look at. It is worth noting that his death came hard on the heels of reports that "a reporter" was about to break a story confirming the White House's use of investigators to dig up dirt on critics and investigators.

It has recently been confirmed that the man who performed the as-yet-unreleased autopsy is none other than Dr. James C. Beyer, who has a record of concealing homicides behind a ruling of suicide. Kenneth Starr's "suicidologist" Dr. Alan L. Berman has waded in again and, as he did in the Foster death, ruled it "100% certain that this is a suicide and can be nothing
3. DANNY CASOLARO - Investigative Reporter, investigating Mena Airport CIA drug transport, Arkansas coke trade and CIA's INSLAW 'PROMIS' software. Warned his family that he'd learned too much, and that "they" would try to get him and not to believe it was suicide if he turned up dead. Found with slit wrists, apparent suicide in the middle of his investigation. Danny was a free-lance reporter and writer who was on to all the secrets of the "October Surprise", the BCCI banking scandal, the Secret Government OCTOPUS, and the infamous INSLAW super secret software that super spook William Casey had stolen from its inventor (so that CIA could sell it to banks and discover all the secret funds politicians have stashed in bank accounts across the world. PROMIS allow them not only find out how many dollars, they had the ability to make wire transfers and take the money back, and then they forced crooked politicos to leave office. Danny Casolaro had confided to pals that he had the real stuff on PROMIS, the CIA's OCTUPUS, MENA and how Clinton had worked for Bush and Reagan and Casey, the NSC and all those people hiding under the White House. His mistake was using a telephone which must have been bugged. He was found dead in a bathtub in a Sheraton Hotel room in Martinsburg, VA near DC, where he stayed while keeping appointments pertinent to his investigation. He had told his friends that 'they' would try to kill him and that if he died, not to believe it was suicide. He was found with his wrists slashed a dozen times. All his research materials were missing and have never been recovered.

Click on CASOLARO footnote, on last page, visit LIVE LINK to learn how a 5th column group stole back all of Vince Foster's Swiss stash of hard-earned Mossad Millions. (He was influence peddling as he and Hilary did at the Rose Law firm). When his moola disappeared from his account, his rage and threats ended up getting VINCE killed.

FINKS, INVESTIGATORS AND WITNESSES' SOCIETY

4. PAUL WILCHER - Attorney investigating corruption at Mena Airport, also an earlier REAGAN SCANDAL, called "the OCTOBER SURPRISE," found dead on a toilet June 22, 1993 in his Washington DC apartment. At the time of his death, Paul was investigating connections between the "October Surprise" during the 1980 federal election campaign and drug and gun-running out of Mena, Arkansas, as well as the BATF assault on the Waco, Texas Branch Davidians. Was planning on producing a television documentary on his findings. He had delivered a 105-page affidavit to Janet Reno detailing the evidence he had collected regarding the drug operation at Mena, just three weeks before his death. GAWD! HINDSIGHT is 20/20! You don't tell HER, bozo! That's like ratting out Hitler to Goebbels!
5. LARRY GUERRIN - killed in February 1987 while investigating the INSLAW case.
6. ALAN STANDORF - An employee of the National Security Agency in electronic intelligence who leaked info to Danny Casalaro who was investigating INSLAW, BCCI, etc. Standorf's body was found in the backseat of a car at Washington National Airport on Jan 31, 1991.

7. DENNIS EISMAN - An attorney with information on INSLAW. Eisman was found shot to death on April 5, 1991.

8 thru 12. IAN SPIRO AND FAMILY - Spiro had supporting documentation for grand jury proceedings on the INSLAW case. His wife and 3 children were found murdered on November 1, 1992 in their home. They all died of gunshot wounds to the head. Ian's body was found several days later in a parked car in the Borego Desert. Cause of death? The ingestion of cyanide. Declared a murder/suicide.

ALL CLINTON INTERNS WITH THE INITIAL "M" in their NAME, PLEASE step forward and get on the "GET-MURDERED-BY-Mr. BILL- and his SEX-to-Die-For" LIST!

13. CHRISTINE M. MIRZAYAN - Clinton Intern, died August 1st, 1998. Her death went unnoticed by the world. She was beaten to death with a heavy object near Georgetown University. What makes us think BILL's thugs did it? In the pre-trial publicity surrounding Paula Jones lawsuit, Newsweek's Mike Isikoff dropped hints that a "former White House staffer" with the initial "M" was about to go public with her story of sexual harassment at 1600 Pennsylvania Ave. They were LOOKING for the DIVINE MISS M, and sure enough, shortly afterwards, gunmen entered the Georgetown Washington D.C. Starbuck's and shot ---

14. MARY MAHONEY - This former White House intern was murdered July 1997 just after she was to go public with her story of sexual harassment
in the White House. An attractive 25 year old woman, Mary was a former White House Intern for Bill Clinton working as the Assistant Manager at Starbuck's. Sadly, Mary's two associate coffee clerks, Aaron Goodrich, 18 and Emory Evans, 25, were taken to a room and shot. Mary herself had five bullets in her, from at least two different guns, most likely with silencers. A total of ten shots were fired; none of them heard by neighbors in the densely populated Georgetown section. Mary was shot in the chest, her face, and in the back of the head. Someone wanted her very dead. Or to send a message. Even though more than $4000 remained in the store, the police have categorized the triple murder as a robber, even as they acknowledge the "execution style" killings.

There was no sign of forced entry, which means that the killers were let in (at least one hour after closing) by either Mary of one of the employees. That means that the killers included at least one person known to the victims or were very upper class types. One report is that the Starbuck's was still locked when the bodies were found the next morning. Now, ROBBERS don't bother locking doors!

Of course, As of this writing, Mike Isikoff's "former White House staffer" has finally surfaced and its NOT Mary Mahoney, or Christine Mirzayan but Monica Lewinsky. If the killing of Mary Mahoney was to Silence a "bimbo eruption", imagine how tragically wacky that the hitmen actually got the wrong two women! (Also, just how many of the interns was Clinton getting oral service from anyway??) So After MARY, they got MIRZAYAN. And at that point, MONICA emerged into such public view that they could NOT kill her!

FAMOUS STIFF & CLOSE FRIEND OF HILLARY!

5. VINCENT FOSTER - THE MOST FAMOUS STIFF. White House Counsel, Hillary's longtime co-worker/friend, maybe co-depositor on her Swiss Accounts, maybe even lover, her closest associate at Little Rock's ROSE LAW FIRM, which would make THE FIRM in the "THE FIRM" MOVIE with TOM CRUISE look like a coven of PIXIES. ROSE FIRM was basically a bunch of greedy influence peddlers. i.e., "how much ya wanna pay to get this law through, or get to this politico?" Vince was mixed up with Israel, on their payroll, (fronting for Billary?) stashing cash in Switzerland, which was found out the week he died, 7/21/93 - Found dead in a public park in DC of a supposed suicide by gunshot. A suicide note was supposedly found a fews days later, in his briefcase, after his office had been entered by white house staff. The torn into pieces "suicide" note, (leaked despite official efforts to keep it from view) has since been revealed to be a forgery. The gun which he supposedly used to kill himself was reported to be still in his hand,
but the person who first found the body reports that there was no gun at that time. Many irregularities surround the death and the investigation of it. Only print on gun not his. 3” exit hole in back top head but no brains on the ground. An FBI memo has surfaced dated the day after the date of the official autopsy, in which the autopsy official informs the FBI that there was NO exit wound. And Foster had an unreported gunshot wound to his neck which had nothing to do with hole on top. So everything is screwy as if a gang of people had all tried to do separate cover-ups.

Foster had intimate knowledge of the Clintons' personal finances. All Hillary's files were removed from his home hours after his death. Foster was implicated by this JUGGERNAUT investigation of their finances. Also, he'd had his own Swiss accounts raided, emptied. He'd reportedly made a phone call to Hillary just hours before his death. Foster was distraught that week and probably also had called Bill complaining. A supposed Fifth Column independent vigilante group had discovered his Swiss bank stash. Group was really a phalange of the FBI or CIA, which used the INSLAW software to penetrate Swiss banks then dethrone politicos for graft or CONTROL THEM with blackmail. Vince had almost certainly gone to Clinton demanding protection, threatening exposure.

DEAD COMMERCE DEPARTMENT OFFICIALS

16. RON BROWN - Minutes away from having to testify against Clinton. He was way high up, Secretary of Commerce and former Democratic National Committee Chairman, but they killed him and 35 other people. Said to have died by impact in a plane crash but pathologist close to the investigation reported that there was a hole in the back of Brown's skull resembling a gunshot wound! At the time of his death Brown was being investigated, had spoken publicly of his willingness to cut a deal with prosecutors. His death brought to an end his ability to testify. As of this writing, Judicial Watch has petitioned for the investigation into on Brown's dealings to be expanded to include his death. (NOTE: Ron also belongs on the dead fund raisers list as that was his first job for Clinton.)

Regarding this crash, THE WALL STREET UNDERGROUND, (Nicholas A. Guerino was the newsletter publisher) compiled a detailed and revealing report. His evidence led him to the conclusion that the radio beacon guiding Air Force-2 was deliberately diverted to send the plane into the mountain. Among the incredible anomalies that he cites is the fact that, on orders from high, the customary air safety investigation of plane crashes was killed. Croatian, Russian, and French TV and the U.S. European command in Stuttgart, Germany announced that the 'black boxes' containing the flight date recorder and the cockpit voice recorder were recovered and delivered to the U.S. Marines. However, Pentagon brass later denied this and stated that Air
Force-2 was not equipped with flight data and voice recorders (Interestingly, an LA talk radio station took a call from a man who identified himself as the electronics technical expert who stated that he personally installed the 'black boxes' in AirForce-2 and completely ridiculed the Pentagon statement that the plane that had carried Hillary Clinton less than two weeks earlier on her trip to Europe was suddenly not equipped with flight date and voice recorders. Also odd, Maintenance Chief Niko Jerkuic, in charge of the radio beacon that guided guided Air Force-2 into that mountain committed 'suicide' shortly after the crash by shooting himself in the chest. Cilipi's air traffic controller also commits suicide and the tapes of the control tower disappear. That makes 35 dead on the plane, 2 on ground. 37 that we're not going to put on the MAIN LIST of 85 dead. But there is a body we should count.

17. SHELLEY KELLY - Air Force Stewardess who is riding in the tail of the plane, sustains only minor cuts and bruises, and was able to board a rescue helicopter without assistance. She later dies at the hospital from loss of blood. According to journalist Joe L. Jordan, an autopsy revealed a neat three-inch incision over her main femoral artery that was inflicted at least three hours after all her other cuts and bruises. Clinton hastily ordered all bodies of the victims to be cremated.

18. BARBARA WISE - Commerce Department Staffer. Died 11/29/96 - As the scandals continued to swirl around the Commerce Department, and most of all about John Huang, one of Hang's associates, Barbara Wise, was found dead in her locked office at the Department of Commerce, partially nude and covered with bruises. No cause of death has ever been announced. Oddly enough, following the discovery of her body, Bill Clinton made an unscheduled return to the White House from Camp David, claiming he needed a book of poetry in order to complete his inauguration speech. She was a looker so maybe Barbara belongs on the Babe list? Well, who says you can't belong to two lists at the same time?

19. CHARLES MEISSNER - Assistant Secretary of Commerce for International Economic Policy. Following Ron Brown's death, John Huang was placed on a Commerce Department contract that allowed him to retain his security clearance. Who gave it to him? Charles Meissner. Shortly thereafter, Charles Meissner died in the crash of a small plane.

FOLLOW THE MONEY DEPARTMENT - FUNDRAISERS ACTUALLY NAMED "RAISER"

20. VICTOR RAISER II - National Finance Co-Chairman, Clinton for President Campaign.

21. MONTGOMERY RAISER - Son of Victor. Both men died, 7-30-92, in a private plane crash in Alaska, en route to a fishing expedition. No cause was
ever determined. Five others not connected to Clinton died with them. - DeeDee Meyers described Raiser as a "major player" in the Clinton organization. Victor Raiser was also chairman of Mobile Telecomm Technologies Corp., whose subsidiary, SkyTel Corp. is an international paging company used by federal police agencies such as the FBI. Victor Raiser was a Washington lawyer and he was counsel to the Washington law firm of Jones Day Reavis & Pogue until 1991. At his death, he was the national finance co-chairman of the Clinton for President Campaign and the campaign's press secretary. He and his wife had been friends of the Clintons for ten years. He was the past national finance chairman of the Democratic National Committee. He served on the boards of the Democratic Business Council and the Center for National Policy and the board of advisers of the Democratic Leadership Council. On May 29, 1993, President Clinton announced that he had selected Raiser's widow, Molly Raiser, 50, former Democratic co-chair of the Women's Campaign Fund, to be his protocol chief and stated that he planned to nominate her for confirmation as an ambassador.

BILL KLINGON

22. PAUL TULLY - Democratic National Committee Political Director. Died 9/24/92. Found dead in a hotel room in Little Rock, Arkansas of "unknown causes." No autopsy allowed. - Described by Clinton as a "dear friend and trusted advisor."

23. DUANE GARRETT - Radio Host and Al Gore fund raiser. Died: 7/26/95 - A lawyer and a talk show host for KGO-AM in San Francisco, Duane was the campaign finance chairman for Diane Feinstein's run for the senate, and was a friend and fundraiser for Al Gore. According to Garrett's lawyer; Garrett was under investigation for defrauding investors in Garrett's failed sports memorabilia venture. There was talk of a deal to evade prosecution. On
July 26th, Garrett canceled an afternoon meeting with his lawyer because he had to meet some people at the S.F airport. Three hours later he was found floating in the bay under the Golden Gate Bridge.

24. **HERSHEL FRIDAY** - Attorney and Clinton fund raiser died March 1, 1994 when his plane exploded. I'm torn between putting him in the Dead Lawyer's Society and the Dead Fund Raisers. This man knew CLINTON and was a lawyer AND a fundraiser so he belongs on a list all his own. The Dumb Sonovabitch society. He statistically shoulda seen it coming.

25. **ED WILLEY** - Clinton fund raiser, found dead November 1993 deep in the woods in Virginia of a gunshot wound to the head. Ruled a suicide. Ed Willey died on the same day his grieving wife Kathleen Willey claimed Bill Clinton groped her in the oval office in the White House. Ed Willey was involved in several Clinton fund raising events. Kathleen would have been killed if she'd given notice she was going public with her Bill tidbit, but she learned from her husband's mistake and DID NOT give notice. She smartly JUST WENT PUBLIC.

**The Wisdom of NOT Keeping Little BLACK BOOKS Dept.**

26. **JERRY LUTHER PARKS** - (clickable URL) Head of Clinton's gubernatorial security team in Little Rock. Gunned down in his car at a deserted intersection outside Little Rock. died: 9/26/93 - Shot through the rear window of his car. The assailant then pulled around to the driver's side of Park's car and shot him three more times with a 9mm pistol. Traffic anxiety? Freeway sniper? Whaddya bet it was a BILLIE BOY HIT SQUAD! Parks' family reported that shortly before his death, they were being followed by unknown persons, and their home had been broken into (despite a top quality alarm system). When news of the discovery of Vincent Foster's body came over the news, Parks is reported to have said,"Bill Clinton is cleaning house". **Parks had been compiling a dossier on Clinton's illicit activities. The dossier was stolen before he died.**

27. **JAMES BUNCH** - Died from a gunshot suicide. It was reported that he had a "Black Book" of people containing names of influential people who visited prostitutes in Texas and Arkansas.

28. **JAMES WILSON** - Was found dead in May 1993 from an apparent hanging suicide, reported to have ties to Whitewater and files full of info.

29. **JON PARNELL WALKER** - Whitewater investigator for Resolution Trust Corp. August 15, 1993. Was investigating Morgan Guarantee scandal. Mysteriously fell to his death from an apartment balcony. He was excited about this new apartment which was being fixed up for him, and was just visiting it, not living there yet, the same apartment which was alleged to have
been a secret getaway which Foster may have visited.

"THREATEN TO BLAB" WITNESS RELOCATION PROGRAM SCHOLARSHIP RECIPIENTS

30. **KATHY FERGUSON** - Ex-wife of CLINTON regular, Trooper Danny Ferguson. Died 5/94 of a supposed gunshot suicide in her living room. Bullet in head. There was a suicide note found by the body. However, friends were surprised at having noticed nothing wrong previously. And even more curious, found nearby were several packed suitcases, as if she expected she was going somewhere. A lot of these Clinton stiffs have had other things on their mind when they suddenly say 'oops, maybe I should kill myself.' Kathy was the former wife of Arkansas state trooper Danny Ferguson, who is alleged to have escorted Paula Corbin Jones to the hotel room for her alleged episode of sexual harassment by then-Governor Clinton. Ferguson's wife was reported as a possible corroborating witness for Ms. Jones. Danny Ferguson is a co-defendant along with Bill Clinton in Paula Corbin Jones's sexual harassment suit. His ex-wife was reported as a corroborating witness for Ms. Jones.

31. **BILL SHELTON** - Arkansas state Trooper and fiancee of Kathy Ferguson. Critical of the suicide ruling of his fiancee, he was found dead in June, 1994 of a gunshot wound also ruled a suicide at the grave site of his fiancee. His crime? Making a fuss about his girl getting murdered.

32. **CALVIN WALRAVEN** - 24 years old, Walraven was a key witness in Jocelyn Elder's son's drug case. Ten days after Elder's son was convicted of trafficking in cocaine, Walraven was found dead in his apartment with a gunshot blast to the head. Tim Hover, a Little Rock police spokesman says "no foul play is suspected."

33. **NEIL MOODY** - son of Vince Foster's Widow's new husband. Died Aug. 25, 1996 Following Vincent Foster's murder, Lisa Foster married James Moody, a judge in Arkansas, on Jan 1, 1996. Near the time Susan McDougal first went to jail for contempt, Judge Moor's son, Neil died in a car crash. There were other reports that Neil Moody had discovered something very unsettling among his stepmother's private papers and was threatening to go public with it just prior to the beginning of the Democratic National Convention. He was alleged to have been talking to Bob Woodward of the Washington Post about a blockbuster story. Witnesses said they saw Neil Moody sitting in his car arguing with another person just prior to HIS old clunker CAR SUDDENLY SPEEDING OFF OUT OF CONTROL AND Hitting A BRICK WALL.

34. **RON MILLER** - Died October 12th 1997, investigated by authorities over the sale of his company, Gage Corp. to Dynamic Energy Resources, Inc. was the man who tape recorded CLINTON FUND RAISERS Gene and Nora
Lum and turned those tapes (and other records) over to congressional oversight investigators. The Lums were sentenced to prison for campaign finance violations, using "straw donors" to conceal the size of their contributions to various candidates. Indeed, Dynamic Energy Resources, Inc. had hired Ron Brown's son Michael solely for the purpose of funneling $60,000 through him to the Commerce Secretary, according to Nolanda Hill's testimony. Reportedly a healthy man, Ron suddenly took ill on October 3rd, 97 and steadily worsened until his death 9 days later. (This pattern fits Ricin poisoning which only intelligence uses as it leaves no traces. KGB uses it. Common Castor seed plant. ) Owing to the strangeness of the illness, doctors at the Integris Baptist Medical Center referred the matter to the Oklahoma State Medical Examiner's Office. The Oklahoma State Medical Examiner's Office promptly ran tests on samples of Ron Miller's blood, but has refused to release the results or even to confirm that the tests were ever completed but Ricin is very evaporative.

NOW, IN RING THREE...

THE MENA AIRPORT CIA FLYING FOOLS

35. BARRY SEAL - Drug running pilot out of Mena Arkansas, now known to have been a drug runner for the CIA, reportedly kept in contact with Bill Clinton's head of security at the governor's mansion, Raymond "Buddy" Young, the ex rodeo clown who is now the number 2 man at FEMA.

Following his fall from CIA grace, Barry was sentenced to live at a YMCA by a judge who also prohibited Barry Seal to either have any guns or to employ any bodyguards. Corruption doesn't become any more obvious than this. Barry was gunned down with machine gun fire in the parking lot of the YMCA.

In violation of the court order, Barry had hired bodyguards who worked a rotation schedule. But the bodyguard who was to be there when Barry was killed never showed up. That bodyguard was a former associate (meaning drug pilot) of Barry's named William "Bear" Bottoms. Bottoms continues to this very day to prowl the internet insisting that there never was any drug running operation at Mena, Arkansas. (This last fact according to video producer Daniel Hopsicker, whose speciality is the MENA AIRPORT SCANDAL, and who has filmed the mother of the two children murdered there) and has website http://www.madcowprod.com

36. Anonymous Mena Aircraft Mechanic - Barry Seal's aircraft mechanic at Mena (name unknown as of this time) died March 21, 1995 of an "overdose of mouthwash". (?) Must be a redneck thang. Regarded by local authorities as an obvious homicide.
AND THE CHILD-VICTIMS OF THE MENA TRAGEDY

37. KEVIN IVES & 38. DON HENRY - Known as "The boys on the track" case. Reports say the two 16 year old children may have stumbled upon the Mena Arkansas airport drug operation. Controversial case where initial report of death was due to falling asleep on railroad track, Aug 23, 1987. The State Medical Examiner, Fahmy Malak said so. This coroner turns up time and time again, lying for the state. Later when parents made a fuss, forensic reports showed the 2 boys had been slain before being placed on the tracks. Later it was determined that Kevin died from a crushed skull prior to being placed on the tracks. Don had been stabbed in the back. Rumors indicate that they might have stumbled upon part of the Mena drug operation which went on when Clinton was Governor.

BUT WAIT, the full cast of MENA ain't OVER. What about the EXTRAS? "The MENA EIGHT." The following Arkansas citizens were all MURDERED, just for volunteering that they had INFORMATION ON THE "two DEAD BOYS" CASE that they volunteered to give a grand jury.

40. KEITH McKASKLE - Died stabbed 113 times, Nov, 1988. McKaskle had information on the Ives/Henry deaths, had told his family someone was out to kill him and told them "good bye".

41. GREGORY COLLINS - Greg had information on the Ives/Henry deaths. He died from a gunshot blast to the face in January 1989. Declared a suicide.

42. PAUL OLSON - A Federal witness in investigations to drug money corruption in Chicago politics, Paul had just finished 2 days of FBI interviews when his plane ride home crashed, killing Paul and 130 others on Sept 8 1994. The Sept. 15, 1994 Tempe Tribune newspaper reported that the FBI suspected that a bomb had brought down the airplane.

43. JEFF RHODES - He had information on the deaths of Ives, Henry & McKaskle. His burned body was found in a trash dump in April 1989. He died of a gunshot wound to the head and there was some body mutilation, specifically that his hands and feet had been partially sawn off, leading to the speculation that he was tortured prior to being killed. The body was then burned.

44. JAMES MILAN - had information on the Ives & Henry deaths. He was decapitated. The state Medical examiner, Fahmy Malak, initially ruled death due to "natural causes," claiming that the victim's small dog had eaten the
head, which was later recovered from a trash bin several blocks away.

45. **RICHARD WINTERS** - was a suspect in the deaths of Ives & Henry, and had offered to cooperate and give INFORMATION. SEE DUMB DICK, SEE DUMB DICK DIE. He was killed by a shotgun blast to the face during a "robbery" in July 1989 which was subsequently proven to be a setup. Parenthetically, Dan Harmon, the Prosecutor who Winters reportedly made the offer to, has since been implicated in the Kevin/Ives deaths and is now in jail for running his office as a racket.

46. **JORDAN KETTLESON** - had information on the Ives & Henry deaths. He was found shot to death in the front seat of his pickup in June 1990. Have you ever heard of any law case in HISTORY where 8 witnesses died? Some serious cui bonum here. That's "who benefits" in Latin, meaning, who would go to all that trouble UNLESS they benefitted?

47. **STEVE WILLIS** 48. **ROBERT WILLIAMMS** 49. **CONWAY LE BLEU** 50. **TODDY McKEEHAN**

These four died in the SAME MINUTE, 2/28/93 "executed" by gunfire in the Waco, Texas assault on the Branch Davidians. - All four were examined by a "private doctor" and determined to have died from nearly identical wounds to the left temple, so-called execution style. According to Linda Thompson, videotapes and other evidence indicates that none died from guns fired by Branch Davidians.

In his address to employees of the Treasury Department in the Cash Room on March 18, 1993, Clinton said: "My prayers and I'm sure yours are still with the families of all four of the Alcohol, Tobacco and Firearms agents who were killed in WACO -- Todd McKeehan and Conway Le Bleu of New Orleans; Steve Willis of Houston, and Robert Williams from my hometown of Little Rock. Three of those four were assigned to my security during the course of the primary or general election." However, the Little Rock, Arkansas office of the ATF confirmed that all four had at one point been bodyguards for Bill Clinton, three while he was campaigning for President, and while he had been governor of Arkansas.

51. **STAFF SGT. BRIAN HANLEY (or HANEY or Hassey)** - Clinton bodyguard.

52. **MARINE SGT. TIM SABEL** - Clinton bodyguard

53. **MAJ. WILLIAM S. BARKLEY, JR.** - Clinton Bodyguard
54. CAPT. SCOTT REYNOLDS - Clinton bodyguard

This group died 5/19/93 when their helicopter crashed in the woods near Quantico, Va. Reporters were barred from the site, and the head of the fire department responding to the crash described it by saying, "Security was tight," with "lots of Marines with guns." A videotape made by a firefighter was seized by the Marines. All four men had escorted Clinton on his flight to the carrier Roosevelt shortly before their deaths. A witness, out in the woods, said that the bodies had been burnt by a ray of energy coming from the ground, and had caught on fire before the helicopter crashed. They were burnt from within, without burning their skin or hair. Like a microwave cooks meat.

SECRET SERVICE, GUYS WITH HEADSETS BUT NO HEADS

55. ALAN G. WHICHER - Oversaw Clinton's Secret Service detail. In October 1994, Whicher was transferred to the Secret Service field office in the Murrah Building in Oklahoma City. Whatever warning was given to the BATF agents in that building (none of them came to work that day) did not reach Alan Whicher, who died in the bomb blast of April 19th 1995.

56. UNKNOWN SECRET SERVICE AGENT - killed when the C-130 carrying the Presidential Limos crashed near Jackson Hole, Wyoming.

STIFFS WITH RIBBONS or THOSE WHO LIVE BY THE GUN, DIE BY THE GUN

Next we have a little group of NINE military OFFICERS who were with Mr. Bill ("Oh no!") on one of his 'on board, military' vacations:

57. DEPUTY COMMANDING GENERAL, V Corps, Europe MAJOR GENERAL WILLIAM ROBERTSON.

58. COL WILLIAM DENSBERGER- Corps Chief of Operations and Plans

59. COL ROBERT KELLY- V Corps Chief of Intelligence Spec.

60. GARY RHODES- Crew Chief

This group died together on 2/23/93 - All were killed when their Army UH-60 Blackhawk helicopter crashed in Weisbaden, Germany. No cause was ever determined. - V Corps figured prominently in the US Bosnia-Serbia peacekeeping operations, along with the carrier Roosevelt.

These 4 officers, a reporter and 8 other government employees associated with Clinton's visit to the Roosevelt all died within 4 months of each other. Were their phones tapped and did someone hear them gossip about the prexy's on-board vacation?
I don't have the names of the other 8 so I'm not adding them to our number sequence. I have put together every list on the internet. What if these 8 unnamed, were one of the named? So I'm being ultra fair to Clinton here. I'm not stacking up MORE bodies than he actually is responsible for But I AM GOING TO ADD THE FIVE NAVY AVIATORS. This is # 61., 62., 63, 64, 65., as they are reputed to be Five Navy aviators who were Clinton bodyguards/escorts (names not determined) died: 3/26/93 - Not the date of the other helicopter death. And that tag 'navy aviators' is unique enough to add them. They all died in a crash of an E-2C Hawkeye in Italy. So that wasn't the group in Quantico though the deaths were a month apart. The crash occurred shortly after the plane was "waved off" from a landing attempt on the Carrier Roosevelt, due to a "foul deck". -

All five men had been Clinton's escorts during Clinton's visit to the Roosevelt 2 weeks prior. Three other men, who had flown Clinton to the Roosevelt for that visit also died later in a separate helicopter crash. As tags weren't clear, I'm not adding THOSE THREE, either.

DEAD MEN BLOW NO WHISTLES SOCIETY

We've had a lot of witnesses of one kind or another. Here are some more, unique in that they were about to become WHISTLEBLOWERS.

66. JAMES BUNCH- Influential Texan. Died from a gunshot suicide, similar to Vince Foster. - Was discovered to have a "little black book" containing the names of many influential persons in Texas and Arkansas who visited certain prostitutes.

67. JOHN WILSON- Former Washington DC Council member, died: 5/18/93 - Found dead from an apparent hanging suicide. Claimed to have info on Whitewater and was threatening to talk.

THE ONLY GOOD LAWYER IS A DEAD LAWYER SOCIETY

68. BILL SHELTON, ESQUIRE and 69. GANDY BAUGH ESQUIRE 70. STANLEY
HUGGINS. First two were Attorneys representing Clinton best guy pal Tycoon Dan Lassater in a case concerning alleged financial misconduct so had heard puhlenty... died by jumping out a window of a tall building January 8th, 1994. Lasater, his client was a convicted drug distributor. Baugh, Shelton's law partner, was "suicided" one month later on 2/9/94. Huggins was Partner in Memphis law firm investigating Madison Guaranty. Reported to have succumbed to viral pneumonia, his 300 page report has never been released.

DOCTOR DEAD CANARY

71. DR. RONALD ROGERS- Dentist from Arkansas, killed in plane crash as he was on his way to an interview with a "London Sunday Telegraph" reporter to reveal some Clinton dirt. Maybe Bill didn't FLOSS?

72. DR. STANLEY HEARD - Clinton's MOTHER's doctor, made Chairman of the National Chiropractic Health Care Advisory Committee died with his attorney Steve Dickson in a small plane crash Dr. Heard, in addition to serving on Clinton's advisory council personally treated Clinton's mother, stepfather and brother. Died 9/10/93 in a plane crash outside Dulles airport, after their aircraft, rented after Heard's personal craft developed troubles, crashed while attempting an emergency landing after reporting a fire on board. Let's repeat that. They took off in a plane. It developed problems. They got it back to the airport. They rented a new plane. They took off in the new rented plane and IT developed a problem. On the way back to the airport it crashed. - Heard, in addition to serving on Clinton's advisory council, also personally treated Clinton's mother, stepfather, and brother. Whatever he knew never got HEARD --- except on a tapped phone!

73. STEVE DICKSON - Legal Counsel to that Chiropractor, Dr. Heard. His only sin, being with Unheard HEARD. Should we count DR STAN? NAHHHHHH. He's probably someone GOD wanted dead! God Clinton that is. What the hell, let's count him, too.

ILLEGITIMATE SPOOKS WHO ARE NOW LEGITIMATE GHOSTS

74. WILLIAM COLBY - Director of Central Intelligence (retired) Died 4-27-96, had been the DCI from 1973 to 1976 under Nixon and Ford who were the top New world Order Rockf'Ir flunkies! As Was the Kiss of Death Henry the K! "Ve Vill Make DERE Economy SCREAMMM". Certainly knew where
all bones were buried as this was the group that wanted the 'one world after all' with China a capitalist trading partner and 3 billion chinese paying taxes to the world banks, an agenda that has taken TEN prexies to deliver. Stuffed into CANOE near his rural isolated home, and SUNK! He knew they were after him and refused guards/ precautions.

At age 76, Colby had found a new career and had just started writing for "Strategic Investment Newsletter". They covered the Vince Foster "suicide" in detail. Its editors hired three renowned handwriting experts to investigate Foster's suicide note, which hadn't been found when his briefcase was first searched, but later materialized, torn into pieces, with no fingerprints on any of the pieces. Upon comparing this document with others of Foster's writings, these experts declared it was a forgery, and a not very good one at that. So Colby was ratting out his spook pals... This had worried many insiders in the intelligence community who felt that Colby had already divulged too many of the CIA's secrets in the preceding years. Indeed, his dismissal by Ford was because of his over-cooperation with Congressional investigations into CIA wrongdoing.

It was Colby who had revealed to Congress the plans to kill Fidel Castro, the spying, phone-tapping on American citizens (in direct violation of the CIA charter) and the conducting of biological tests by the CIA on unsuspecting citizens, and agency's using human guinea pigs for mind-control experiments involving LSD, as we saw in CONSPIRACY THEORY movie with Mel Gibson, MK-Ultra program. Colby was in charge of the infamous Operation Phoenix during the Vietnam War, in which more than 20,000 South Vietnamese citizens -- supposedly Vietcong sympathizers -- were rounded up, tortured and executed. Must have found religion late in life. Phoenix was run by the infamous Hanoi station, same group that brought back tons of heroin sewn inside G.I's bodies for the Mafia to distribute. THE ENTIRE CIA HATED COLBY, however, he died while Bill was prexy so he goes on the list. According to the original CNN report, Colby was reported missing by neighbors who "recovered" his canoe, by one story from under the dock at Colby's house, by another report, 1/4 of a mile downstream from Colby's home. Colby was by all report a methodical, tidy man, yet police found his home unlocked, his computer on, and a partly eaten dinner on the table. The official story is that Colby just put down his fork and decided to drop everything and go canoeing. On Monday, May 6th, Colby's body was found just 20 yards from where his canoe had been recovered, in an area that had been thoroughly searched several times by helicopters and search teams. Most notable about the body was the absence of a life jacket, which according to his wife, Colby always wore on the water. Inferred is that a well known, old co-worker called him and said come on down to the river and talk to me. Colby was not really planning on canoeing.
SPOOK #2, But Stiff #75. FLORENCE MARTIN - Accountant subcontracting to

CIA. Flo died of 3 bullets to the head. Her work was related to the Barry Seal case. At the time of her death she had the account numbers and PIN for a bank account in the Cayman's in the name of Barry Seal which held 1.4 million dollars. Immediately following her death, the money was moved to someplace in the Virgin Islands.

IN CASE YOU’RE GETTING BORED, A RED NECK JOKE to break the pace!

------------------------------------------------------------------------

76. JOHNNY FRANKLIN LAUGHTON, JR.-Died March 29, 1998. In the spring of 1997, a tornado ripped through some junked cars at Johnny's Tranny Shop and opened up the trunk of a car that proved to have a box of Whitewater records in it, including a copy of a $27,000 cashiers check drawn on Madison and payable to one Bill Clinton. Johnny Franklin Laughton, Jr. realized what he was looking at and here's the funny part......he turned the box of documents over to the FBI. Is that a screamer? but wait. There's more. According to police, a year later, Laughton and a friend hit a telephone pole at a high rate of speed after their car had become airborne and left the road. They had driven less than 1/4 of a mile at the time of the impact, in a '73 Pontiac Trans Am meaning this clunker got the TAKEOFF ratio of a brand new Ferrari.

This manner of death is similar to the single vehicle accidents that killed Paula Grober, and Neil Moody and Karen Silkwood. Single car accidents in clunkermobiles going warp speeds.

------------------------------------------------------------------------

MORE WHISTLEBLOWERS. DEDUCTION: If It's BROKE, DON'T REPORT IT!

------------------------------------------------------------------------

77. COL. JAMES SABOW - Died 1991, supposedly about to blow the whistle on drug running activity taking place on the naval base where he was stationed, Col. James Sabow was found by his wife in the backyard of their home with his head blown off with a shotgun. The Navy ruled it a suicide. In all, more than 40 deaths by individuals concerned with drug traffic on military bases have been declared as suicides despite evidence that MURDER was involved. I think we've all heard the DRUGS AND GOVERNMENT rumors
recently. Hey, this is more than a specious rumor, friends. It is a 50 year old American tradition. Footnote and LIVE LINK to clickable URL proving CIA has been dealing drugs for 50 years at end.

78. **ERIC BUTERA** - An informant who came forward offering information regarding the murder of White House intern Mary Mahoney. He was promptly sent into a known crack house to make an undercover buy for the police and there was beaten to death by unknown assailants.

79. **MAYNARD WEBB** - Owned a small aircraft repair business, and had stumbled on several aircraft whose tail numbers were being changed on a regular basis. Was about to go public when he walked head first into a spinning propeller.

Now for the "IF THEY DIDN'T HAVE PUSSIES THERE'D BE A BOUNTY ON 'EM" Department. THE DEAD FLOOZIES SOCIETY

---

80. **SUZANNE COLEMAN** - Reportedly had an affair with Clinton when he was attorney general. Died of "suicide" with gunshot wound to the back of her head. No autopsy allowed. Was 7 months pregnant at time of her death and had told friends it was Bill Clinton's child.

81. **PAULA GROBER** - Clinton's speech interpreter for the deaf. died: 12/9/92 in a one-car accident with no known witnesses. Like Karen Silkwood or Princess Diana. Her body was thrown 33 feet from the car, indicating a very high speed. A very attractive women, Paula traveled extensively with Clinton from 1978 until her death. Clinton, through a spokesman, called Gober's death "a great personal loss." He also said, "Hillary and I extend our sincere sympathy to Paula's family. I had the privilege of (ahem) 'working' with her over many years."

82. **JUDY GIBBS** - Arkansas professional good ole girl and lady of the night, belonged to a house that regularly blackmailed gentlemen clients. Had just told Police she'd cooperate in a probe on local cocaine selling. Both Clinton's bodyguard and her family say she was intimate with Clinton. She had been a Penthouse Playmate was so HOT that her house burned down with her in it. That's HOT!!!!

---

**MISC DEATHS**
83. DON ADAMS - Died Jan 7 1997. Long before Whitewater's land flips made the Clinton's circle of friends rich, many of the same players had been involved in a similar land swindle in Branson. Don Adams was a lawyer in Arkansas who got involved trying to help the people who were being swindled out of their life savings. He was found missing. Then he was found dead. Muy misterioso. Branson has Clinton fingerprints all over it so let's COUNT this stiff! As coke was a food staple in Little Rock during Clinton's Camelot there, and his rich buddies were into it, and busted for it, and coke makes users greedy, deadly unemotional, cold and cruel, paranoic and irritable we deduce that Bill's death squads were coked up back in the 70's and are coked up still.

84. JIM WILHITE - Vice Chairman, Arkla, Inc. died: 12/21/92 - Died in a one-person skiing accident. - Wilhite had extensive ties with Clinton and Mack McLarty, with whom he visited by telephone just hours before his death.

85. LANCE HERNDON- this Clinton Appointee was found BLUDGEONED to DEATH in his bed. A prominent entrepreneur who received a presidential appointment in 1995 Lance Herndon, a 41 year old computer specialist, appeared to have died in his Atlanta mansion's bedroom, under the bedcovers, from a blow to the head. Mr. Herndon had not been shot or stabbed and there was no evidence of forced entry or theft. The home had an elaborate security system. Herndon's relatives said they unbolted the front door to gain entry into the home and discovered his bloody body under the bed covers.

Herndon founded ACCESS INCORPORATED, (anyone know anything about them? Write us) an Atlanta based information systems consulting firm once listed by Inc. Magazine as one of the nation's fastest growing private companies.

President Clinton had appointed Mr. Herndon to the high level White House Conference on Small Business, part of Ron Brown's Dept of Commerce. Jim Quinn at http://www.warroom.com brought up quite an interesting point about the WH data base. Pressure is apparently being applied to the contractors and subcontractors who implemented the database and the phone network in the Whitehouse which tied the database to several other databases. There has been the assertion that Lance Herndon, a computer database specialist from Atlanta, may have been murdered because of his work on the White House Data Base. He died in the period when the WH phone records disappeared, containing hour of calls in dispute, within days of Janet Reno handing over the brewing WH data base scandal to Kenneth Starr. The man who finally
incriminated NIXON had been a tekkie who'd installed sophisticated equipment. They weren't going to let History repeat itself.

-------------------------------------------------------------------------

**WOUNDED/ ATTEMPTED MURDERS/ BUNGLED JOBS.**

-------------------------------------------------------------------------

**GARY JOHNSON** - lawyer who lived next door to Gennifer Flowers' apt. Familiar with what was going on inside. i.e. visits from Bill, and of course, her gossip to him. Not dead, but beaten near death and left for dead. Had security videotapes of Clinton entering Gennifer Flowers' apartment. His tapes were taken. On 26 June 1992, he was severely beaten to the point that his spleen had to be removed.

-------------------------------------------------------------------------

**DENNIS PATRICK** - Court clerk. Had millions of dollars laundered through his account at Lasater & Co without his knowledge. Four attempts on his life. He should get together with that guy in I LOVE YOU TO DEATH who owned the pizza parlor. Imagine this patsy being alive. Somebody invested tens of millions of dollars, that he did not own, through his account at Lasater & Co. Lasater was a bigtime coke dealer with Tyson Chicken tycoon, and were laundering coke cash. Patrick has spoken to FBI agents and Fiske's taskforce but remember, Starr predecessor FISKE was always working for the Intelligence group that runs Clinton and foxes don't really turn in other foxes fer eating hens.

-------------------------------------------------------------------------

**L.J. DAVIS** - Reporter investigating Rose Law Firm for stuff on the C's, attacked at his hotel room in Little Rock. His notes were stolen. He wrote an article for the New Republic concerning Whitewater. Davis was attacked in Arkansas on 14 February 1994, but survived head injuries, though some of his papers concerning his investigation into Whitewater were stolen, including a "list of contacts," and a "critical document." Based on a mysterious phone call he received before the beating, he suspects that his modem transmission (you tekkies check THIS out!) of his story was intercepted (ie. that his phone was tapped). Davis is a contributing editor for "Harper's" magazine and does freelance writing for many publications.

-------------------------------------------------------------------------

**MURDOCH** - a "New York Post" Reporter, assaulted in Little Rock while he was there collecting information on a story he wrote about Whitewater.
LARRY NICHOLS - Former official in AR. and author of "The Clinton Chronicles." A terrific Super VIDEO is available from him. The man who broke many of the Clinton scandal stories. Several attempts on his life.

RUSSELL WELCH - an Arkansas cop, drug investigator trying to prove highly placed men were involved in coke trafficking, infected with military grade anthrax, lucky to have been diagnosed correctly, narrowly escapes death.

------------------------ MISSING, MAYBE DEAD ------------------------

DAN SHORT - ARKANSAS COCAINE BANK PRESIDENT, MISSING.
Took local bank into bankruptcy, told pals he was laundering cash for the Arkansas Coke Cartel, next day he and 71k are missing and someone goes to great lengths to provide a body but dental records prove it's not his. No one knows where HE went.

85 PEOPLE IN ALL HAVE PERISHED IN THE CLINTON INVESTIGATIVE PROCESS, five of them children !!!! We didn't count two Croatian airport guys at the Ron Brown crash OR the 35 co-passengers, which would have brought the grand tally up to 122 dead. And we left off another dozen soldiers because they had no names. We have been very conservative here, in only picking the people Clinton actually caused to be dead. We actually took Admiral Boorda off this list where other reports had him, because his suicide death involved the Mossad (who shot him) over convicted Israeli spy Pollard but not we can't see how this tied in to Clinton. If you know something, call us.

Anyway, the parade of corpses isn't over! When will the fat lady finally sing???? Oh, excuse me, it's the end of the Millenium and she finally HAS! Monica, Honey? Chubs? Keep warbling! You're the best thing that has ever happened to the 20th Century right up there with PC's and the INTERNET. We wish you and Linda Tripp luck at surviving this whole thing. If an angel like you can bring this Stalin down, with a touch of your pinkie, there must be a God in Heaven.

P.S. THIS JUST CAME IN. Bill's SECRETARY, BETTY CURRIE? Her brother was murdered in a so-called hit-and-run. He'd been beat up by thugs a few months before, early 1998. That's really 86 people dead and a crowd of people who were either in the airplane or on the ground getting murdered along with the target deaths. Near as we can calculate, 123 dead people when you count 'folks in the way'

****
NOTE to READER, I don't think Clinton himself would hurt a fly. He is as Charlie Rose called him, "Emotionally very facile", i.e. talented, tuned in. Some say that's something sociopaths can be. One writer online describes THE DEGREE of **CLINTON'S SOCIOPATHY.** This writer's arguments are indeed compelling but I feel that CLINTON's HANDLERS HIRED wet work specialists and they did the murders. The orders came from an OLIGARCH somewhere or the Chief of Staff of this unseen Galactic Overlord. HIRED Killers took orders from a staff of strategist who 'controlled' Bill politely and completely. BILL did not know at first that any hits were done as 'necessary clean-up.' I feel he soon enough realized what was going on but never was complicit.

If you want to save this article, CLICK ON "FILE" THEN "SAVE FILE" then give it a name. Want to "SEND FILE?" that's a possibility, too. SEND THIS whole piece TO YOUR FRIENDS as KLINGON.htm Maybe I'm fooling myself. Hitler was cute by the standards of the day. Stalin was a hunk. What do LOOKS have to do with anything? But I cannot believe God gave that kind of sweetness, beauty and charm to a killer.

The above article has facts gathered by an informed Starr-gazer in L.A. who thinks we should elect a non-cute group of caring, dedicated persons to be president: Bernie Sanders, Noam Chomsky, Ralph Nader, Jerry Brown, Michael Moore, Gore Vidal, The Berrigans, Tom Hayden. Dalai Lama, Jim Hightower, Ron Reagan Jr. More suggestions for this group are welcomed.

P.S. if you want more files on the CLINTON arm of the NSC/ CIA/ which is a proven, Death dealing, Drug-transporting group serving the Oligarchs with their DIRTY MONEY FOR DIRTY TRICKS, their cash-raising preventing money trails back to the Rockflrs' * (and to the other 13 families'). This New World Order "One World After All " MAI/ NAFTA world has been built on assasination, death, ghetto drug addictions from the mid 40's. If you want to see how and through WHOM this has been going on since WWII, go to a page with my own research, **http://home.earthlink.net/~astrology/cialetter.html** to read all the details proving how LONG the CIA and before them the OSS have been dealing drugs, not to enrich themselves but to pay for covert dirty tricks without borrowing from the oligarchs. They did not want money trails to lead back to the oligarch-run banking, IMF, world slave colony agenda. Read the truth about Casolaro stumbling on this OCTUPUS and on these crazy PROMIS software driven CIA bank raids. Read of Vince's battle with the CIA, their emptying his Swiss bank accounts the week of his death and there ^ *(above URL)* you will find the details that round out this picture of the Agency that has been moving Bill like a pretty Chess Pawn since Winthrop Rock'flr (gay guy) first discovered him back in ARKANSAS where Winnie was gov, and made him a RHODES SCHOLAR.
*deliberate spelling error done to 'rockflr' to confound search engines of the oligarch overlords and their paid hacker spies who monitor the net.

What, L'il ME A KILLER? Nah
I'm a lover, but the folks who ran
me would killya soon as look at ya!

The Clintons seem to be criminals. I PERSONALLY find that hard to believe as she was such a radical in college. She had a SOUL ONCE.
